

10 REASONS TO BECOME A COMCAST BUSINESS SOLUTIONS PROVIDER

Comcast Business offers an established, respected industry Channel program. Impressive, but there are even more reasons to join. **TO LEARN MORE, VISIT BUSINESS.COMCAST.COM/SOLUTIONS-PROVIDER**

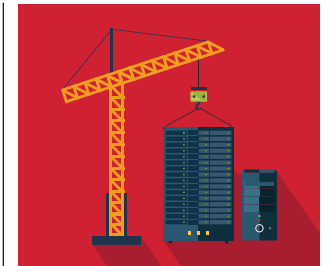

1 Continually investing in our network—to the tune of \$1 billion—to provide customers with a reliable, advanced network to provide fast Internet speed.

2 Products that suit every sized organization: from coax to fiber and from voice lines to managed voice.

3 Vertical specific solutions for Hospitality, Healthcare and Restaurants.

4 You can now offer the one thing that every organization requires: **robust bandwidth**...and make recurring revenue on it!

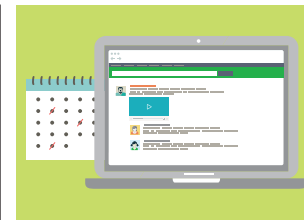

5 Adding network services from Comcast Business to the mix will diversify your portfolio and help you gain traction with new and existing customers.

6 Your customers will count on you as their “go to” resource; and they will feel good about the Comcast Business brand and services.

7 Our dedicated team will help you and provide the support you need.

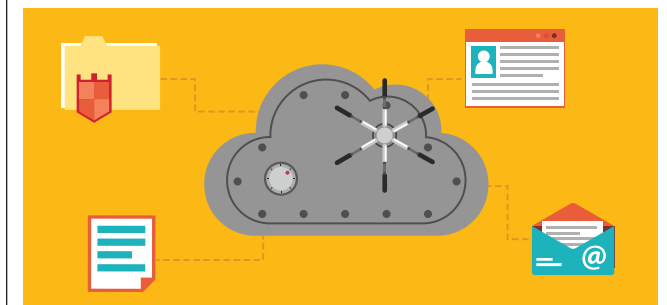

9 Ongoing education and support – from monthly webinars to a weekly newsletter to a full team ready to help.

8 Onboarding is smooth and easy as you’ll work with a knowledgeable, experienced Master Agent.

10 Cloud. Cloud. Cloud. It’s not going away and organizations need to connect safely and quickly.
